Donation Form

Thank you for your commitment to helping Ronald McDonald House Charities of South Dakota through a monetary gift. This gift assists us in our mission of keeping families close through places and programs that directly improve children's well-being and support families during their most challenging times.

Since 1983 RMHC South Dakota has provided a safe place to stay with the comforts of home at no cost to families with children receiving care at nearby medical facilities. The support of family is crucial to patient healing, and your support of RMHC South Dakota means families can remain close to medical care and to each other.
